September 3, 2021

Online Seminar

■ Plenary Speaker

Hosea Nelson

University of California, Los Angeles

■ Invited Speakers

Kanako Nozawa-Kumada, Tohoku University

Kohsuke Kawabata, Tohoku University

■ Oral Session

Yutong Chen, Tohoku University

Yutaro Hatano, Tohoku University

Masahito Hayashi, Tohoku University

Osamu Ishibashi, Tohoku University

Shun Kawano, Tohoku University

Li Qiang-Qiang, Nanyang Technological University

Yoshiya Sekiguchi, Nanyang Technological University

■ Poster Session

Wang Chang-Sheng, Nanyang Technological University

Kohta Ide, Tohoku University

Yuto Iseya, Tohoku University

Hiroshi Nagazawa, Tohoku University

Yurino Oku, Nihon University

Katsuya Saito, Tohoku University

Yuki Tateishi, Tohoku University

Fusheng Xu, Yamagata University

Organized by **The Society of Synthetic Organic Chemistry, Japan, Tohoku Branch**

Organizing Committee

Chair: Hirofumi Ueda, Graduate School of Pharmaceutical Sciences, Tohoku University

Co-chair: Masaru Enomoto, Graduate School of Agricultural Sciences, Tohoku University

Co-chair: Masanori Shigeno, Graduate School of Pharmaceutical Sciences, Tohoku University
